Good morning-

I'm just curious if there have been any changes in the [REDACTED] trial scheduled for September 9, 2010 in Belchertown District Court that affect me (plea, continuance, stipulation, etc.)? If not, do you want me there 8:30-8:45ish, or would you rather have me on call? I'm guessing that it would take me about 45 minutes to get there from when I got the call (I'll need to change clothes and maneuver through the influx of UMass students before actually hitting the road). Thanks for keeping me informed.

-Sonja
